Thank you for your support of the Texas Wheat Producers Association

A unique opportunity to support Texas wheat producers...

Our membership program offers an associate membership to businesses that support TWPA's legislative priorities. This allows businesses to indirectly support Texas producers. Membership in our Association strengthens the voice of Texas producers in the state legislature and Congress.

There are two tiers of Associate Membership, GOLD and SILVER. Associate Membership is available to any business that wishes to partner with TWPA and support its legislative priorities. All members receive the Association's newsletter, The Staff of Life, which is mailed to producers across the state every other month.

SILVER ASSOCIATE MEMBERS receive advertising, one month out of the year, in The Staff of Life for a \$100 annual fee.

GOLD ASSOCIATE MEMBERS receive the same benefits, as well as additional advertising on our Web site for a \$150 annual fee. Each GOLD Member will receive prime placement on the home page of the TWPA Web site (www.texaswheat.org) for at least one month out of the year, and will have a link to their Web site featured on the Links page year-round.

Please attach any artwork (logo, advertisement, etc.) with your application form. If you'd like to send your digital artwork via e-mail, please send it to Steelee Fischbacher at sfischbacher@texaswheat.org.

Please indicate how you would like any artwork to be used, or if you'd like our staff to create an advertisement for you. All advertisements (both print and Web) are approximately the size of a business card. Your ad will run in the first month with available space.
